

***State of Washington  
Department of Transportation  
Notice to Consultants  
Anacortes Multimodal Ferry Terminal Project  
Mukilteo Multimodal Ferry Terminal Project***

The Washington State Department of Transportation (WSDOT) announces Requests for Qualifications (RFQ) from consultants interested in providing environmental, engineering, and architectural services for Washington State Ferries (WSF) on two major capital improvement projects. One (1) consultant will be selected for each project. The approximate dollar value of the consultant agreement for the Anacortes Multimodal Ferry Terminal Project will be eight (8) million dollars. For the Mukilteo Multimodal Ferry Terminal Project the approximate dollar value will be eleven (11) million dollars.
